

What success looks like for RCTC

CUSTOMER GOALS

- Establish RCTC's MetroLink station as a regional holiday destination
- Drive non-transit foot traffic to the downtown station and adjoining plaza
- Position Riverside County as a leader in civic seasonal programming

CONSTRAINTS

- All decor must clear MetroLink overhead catenary safety envelope
- Install and removal must occur outside revenue service hours
- Materials must withstand winter Santa Ana wind events

SUCCESS CRITERIA

- Measurable increase in evening visitors during the program window
- Local press and social media coverage of the activation
- Zero MetroLink operational disruptions during install/strike

RECOMMENDED TIER

Enhanced

Balances civic visual impact with disciplined investment.
