

ST. NICK'S

CHRISTMAS LIGHTING & DÉCOR

2026 HOLIDAY SEASON

Riverside

Downtown Metrolink

PREPARED BY

St. Nick's Christmas Lighting & Décor

Proposal Date: April 30, 2026

Executive Summary

Our 2026 holiday program for the Downtown Riverside Metrolink Station, at a glance.

St. Nick's is proposing a transit-scale holiday program for the Downtown Riverside Metrolink Station — a designed, fabricated, installed, and serviced lighting and décor experience that anchors RCTC's flagship station as a downtown destination during the holiday season.

Our approach builds a signature visual identity for the station — driving ridership during peak season, creating shareable photo moments for the City of Riverside, and establishing a multi-year tradition that extends across the entire transit footprint.

Turnkey Delivery

Concept through teardown — one partner, zero seams.

Destination Scale

Built for civic-scale destinations and transit hubs.

25 Years at It

From Pier 39 to Disney Parks — and now Riverside.

Our Understanding

Playback of discovery — so we're all working from the same page.

VENUE & CONTEXT

The Joseph Tavaglione Riverside Downtown Metrolink Station is RCTC's flagship Inland Empire transit hub — connecting Riverside, San Bernardino, and the LA basin. The station serves as the eastern gateway to downtown Riverside, anchoring civic identity and supporting peak holiday-season commuter and visitor traffic.

GOALS FOR 2026

Establish the station as Riverside's premier holiday transit destination. Drive ridership through the holiday window, create shareable photo moments, and position the station as a year-after-year civic landmark for the City of Riverside.

KEY CONSTRAINTS

Active station — install must avoid disrupting commuter and bus operations. Power coordination with RCTC facilities required. Canopy lighting installed as 'invisible' work prior to Nov 1 and energized at go-live. Compliance with prevailing-wage / certified-payroll obligations as applicable.

WHAT SUCCESS LOOKS LIKE

A signature transit-holiday identity that photographs and shares well; measurable lift in station traffic and downtown engagement; a program built for multi-year refresh and integration with the City of Riverside's broader downtown holiday narrative.

Creative Vision

The design direction for Riverside's 2026 holiday program.

DESIGN DIRECTION

Holiday Express.

A warm, classic holiday aesthetic anchored to the station's iconic 'Holiday Express' train artwork — warm-white string lights, pine garland with red/green/gold ornaments, and oversized centerpiece moments that turn an active transit station into a photo-worthy destination from arrival through the platforms.

ARRIVE

Warm-white welcome at the station entrance.

EXPLORE

Garland and lighting layered across platforms and perimeter.

CELEBRATE

Signature centerpiece + photo-op features.

ZONE 01

Station Arrival & Plaza

First impression. The heart of the station experience.

INCLUDED ELEMENTS

- 35 holiday pole banners ('Board The Holiday Express' artwork) site-wide
- 18' traditional Christmas tree centerpiece (red/green/gold ornaments)
- Walk-through warm-white lighted ornament — bus loading island
- 144 LF of decorated garland on building eave
- Four 5' lighted wreaths between station entrance brick columns
- 10' lighted wreath on stair tower column

ZONE 02

Platforms & Perimeter

The framing — lighting and garland that wraps the entire site.

INCLUDED ELEMENTS

- 1,258 LF of warm-white canopy string lighting (16 platform canopies + 2 bus stop canopies)
- 621 LF of decorated swag garland — front gate / perimeter fence
- 261 LF of decorated swag garland — center driveway gates
- 207 LF of decorated swag garland — staircase tower & railing
- 12 lighted snowflakes on platform railings (animated twinkle)
- Canopy lighting installed pre-Nov 1 as 'invisible work' to minimize transit disruption

ZONE 03

Custom Photo Moments

The wow features — custom-fabricated photo anchors that put RCTC on the map this season.

- Custom 'City of Riverside' lighted bell display (warm-white LED + rope light, PVC mesh)
- 12' walk-through lighted gift box archway with red bow accent
- Illuminated 'Happy Holidays' skyline sign at station entrance
- Lighted gift box tower (Signature tier — added at new location)
- Spiral LED tree centerpiece option (Signature tier — replaces traditional tree)

Scope of Work

What your investment includes, and what you can add on.

YOUR PROGRAM INCLUDES

- Creative design + client-approved renderings
- All materials, décor, and lighting elements
- Full installation labor (phased, transit-aware schedule)
- Power, electrical tap-ins, GFCI protection, timers
- Testing, commissioning, and launch night support
- Mid-season maintenance visits (Nov 27 – Jan 6)
- Season on-call response
- Complete post-season teardown and removal
- Off-season storage of all rental elements at our facility

OPTIONAL ADD-ONS

- Lighted snowflakes on railings +\$3.5K
- Walk-through gift box archway +\$11.5K
- Happy Holidays skyline sign +\$3.2K
- Decorated garland upgrade (Front Gate) +\$26.7K
- Decorated garland upgrade (Building Eave) +\$6.6K
- Decorated garland upgrade (Center Driveway) +\$11.2K
- Staircase tower & railing garland (decorated) +\$14.9K
- Custom 'City of Riverside' bell display +\$18.8K Y1
- Lighted gift box tower (new location) +\$11.1K
- Spiral LED tree (replaces traditional) +\$3.7K Δ
- Multi-year partnership See Investment

CASE STUDY

Oregon Zoo · ZooLights 2025

Transforming Portland's family destination into a signature winter experience.

[Oregon Zoo — hero photo from ZooLights install]

THE CHALLENGE

Deliver a full property-wide holiday transformation across 64 acres of active zoological habitats, with zero disruption to animal welfare and a firm Thanksgiving Day go-live.

OUR APPROACH

Phased 18-night install coordinated with animal care teams. Custom low-impact lighting specifications. A signature 45-ft illuminated evergreen at the main entrance visible from Highway 26.

THE OUTCOME

31% YoY increase in ZooLights attendance. 4.2M+ social impressions. Partnership renewed through 2028. Feature coverage in The Oregonian and KGW.

Investment

Three levels of program. Pick what fits your season.

★ RECOMMENDED ★
